SUMMARY DISCLOSURE STATEMENT for ACCELERATED DEATH BENEFIT

Benefit:

Subject to the terms of this Benefit, we will pay a portion of the death benefit upon receiving proof that the insured is terminally ill. An accelerated death benefit can only be paid one time.

Consequences of Receiving Accelerated Death Benefit:

The receipt of an accelerated death benefit may be considered a taxable event under the Internal Revenue Code. The receipt of an accelerated death benefit may also affect eligibility to receive, or continue to receive Medicaid benefits, or other state or federal government benefits and entitlements. Before you elect to receive any accelerated benefits, you should consult with your tax advisor.

Amount You May Elect:

You may elect the amount of the accelerated death benefit to be paid. The limits are outlined in the Benefit but are generally limited to the lesser of 60% of the death benefit of the policy or \$1,000,000.

When Eligible for Payment of Benefit:

You are entitled to receive the accelerated death benefit when we have determined that the insured is terminally ill and has a life expectancy of 6 months or less.

Notice and Proof of Qualifying Event:

We will require proof that the insured is terminally ill. The diagnosis must be made by a physician as defined in the Benefit. Any diagnosis must be the result of clinical, radiological, histological, or laboratory evidence of the terminal illness. We may require a second medical opinion by a physician of our choice at our expense. If there is a conflict of opinion, we reserve the right to make the final determination.

Effect of an Accelerated Death Benefit:

When you elect to receive an accelerated death benefit, it will be treated as a lien against your policy. We will charge you interest on the accelerated death benefit paid to you. The Accelerated Death Benefit does not have an effect on the Premium and/or Cost of Insurance Charges of the base policy.

The maximum interest rate we may charge you is the greater of:

1. The interest rate charged on policy loans; or
2. the current 90 day U.S. Treasury Bill rate in effect on the date that the accelerated death benefit is paid.

The maximum interest rate we will charge on the portion of the lien which is equal to the cash surrender value of the policy at the time the accelerated death benefit is requested will be no greater than the rate we charge on policy loans.

The accelerated death benefit will first be used to repay any outstanding policy loans and any unpaid accrued interest thereon. Your access to the cash surrender value of your policy, if any, will be limited to the excess of the cash surrender value over the lien. The death benefit will also be reduced by the amount of the lien. There will be no effect on any benefits not used to determine the accelerated death benefit.

Any irrevocable beneficiaries or assignees must send us a written consent to the accelerated death benefit payment. The written request must be in a form satisfactory to us.

Below is a **sample illustration** of the effect of an accelerated death benefit on a **UNIVERSAL LIFE** policy. This illustration shows the effect on the face amount of the policy before the accelerated death benefit is elected, immediately after the election is made and 12 months after the election is made (assuming the insured is still living). This illustration also assumes:

- (1) the Face Amount is \$100,000; (2) a 50% accelerated death benefit is elected; (3) we are charging 6% on the lien; and (4) for **UNIVERSAL LIFE**, the cash surrender value does not change after the accelerated death benefit is elected.
